Energy. A Lot or a Little?

Aunt Nina Mary Sam

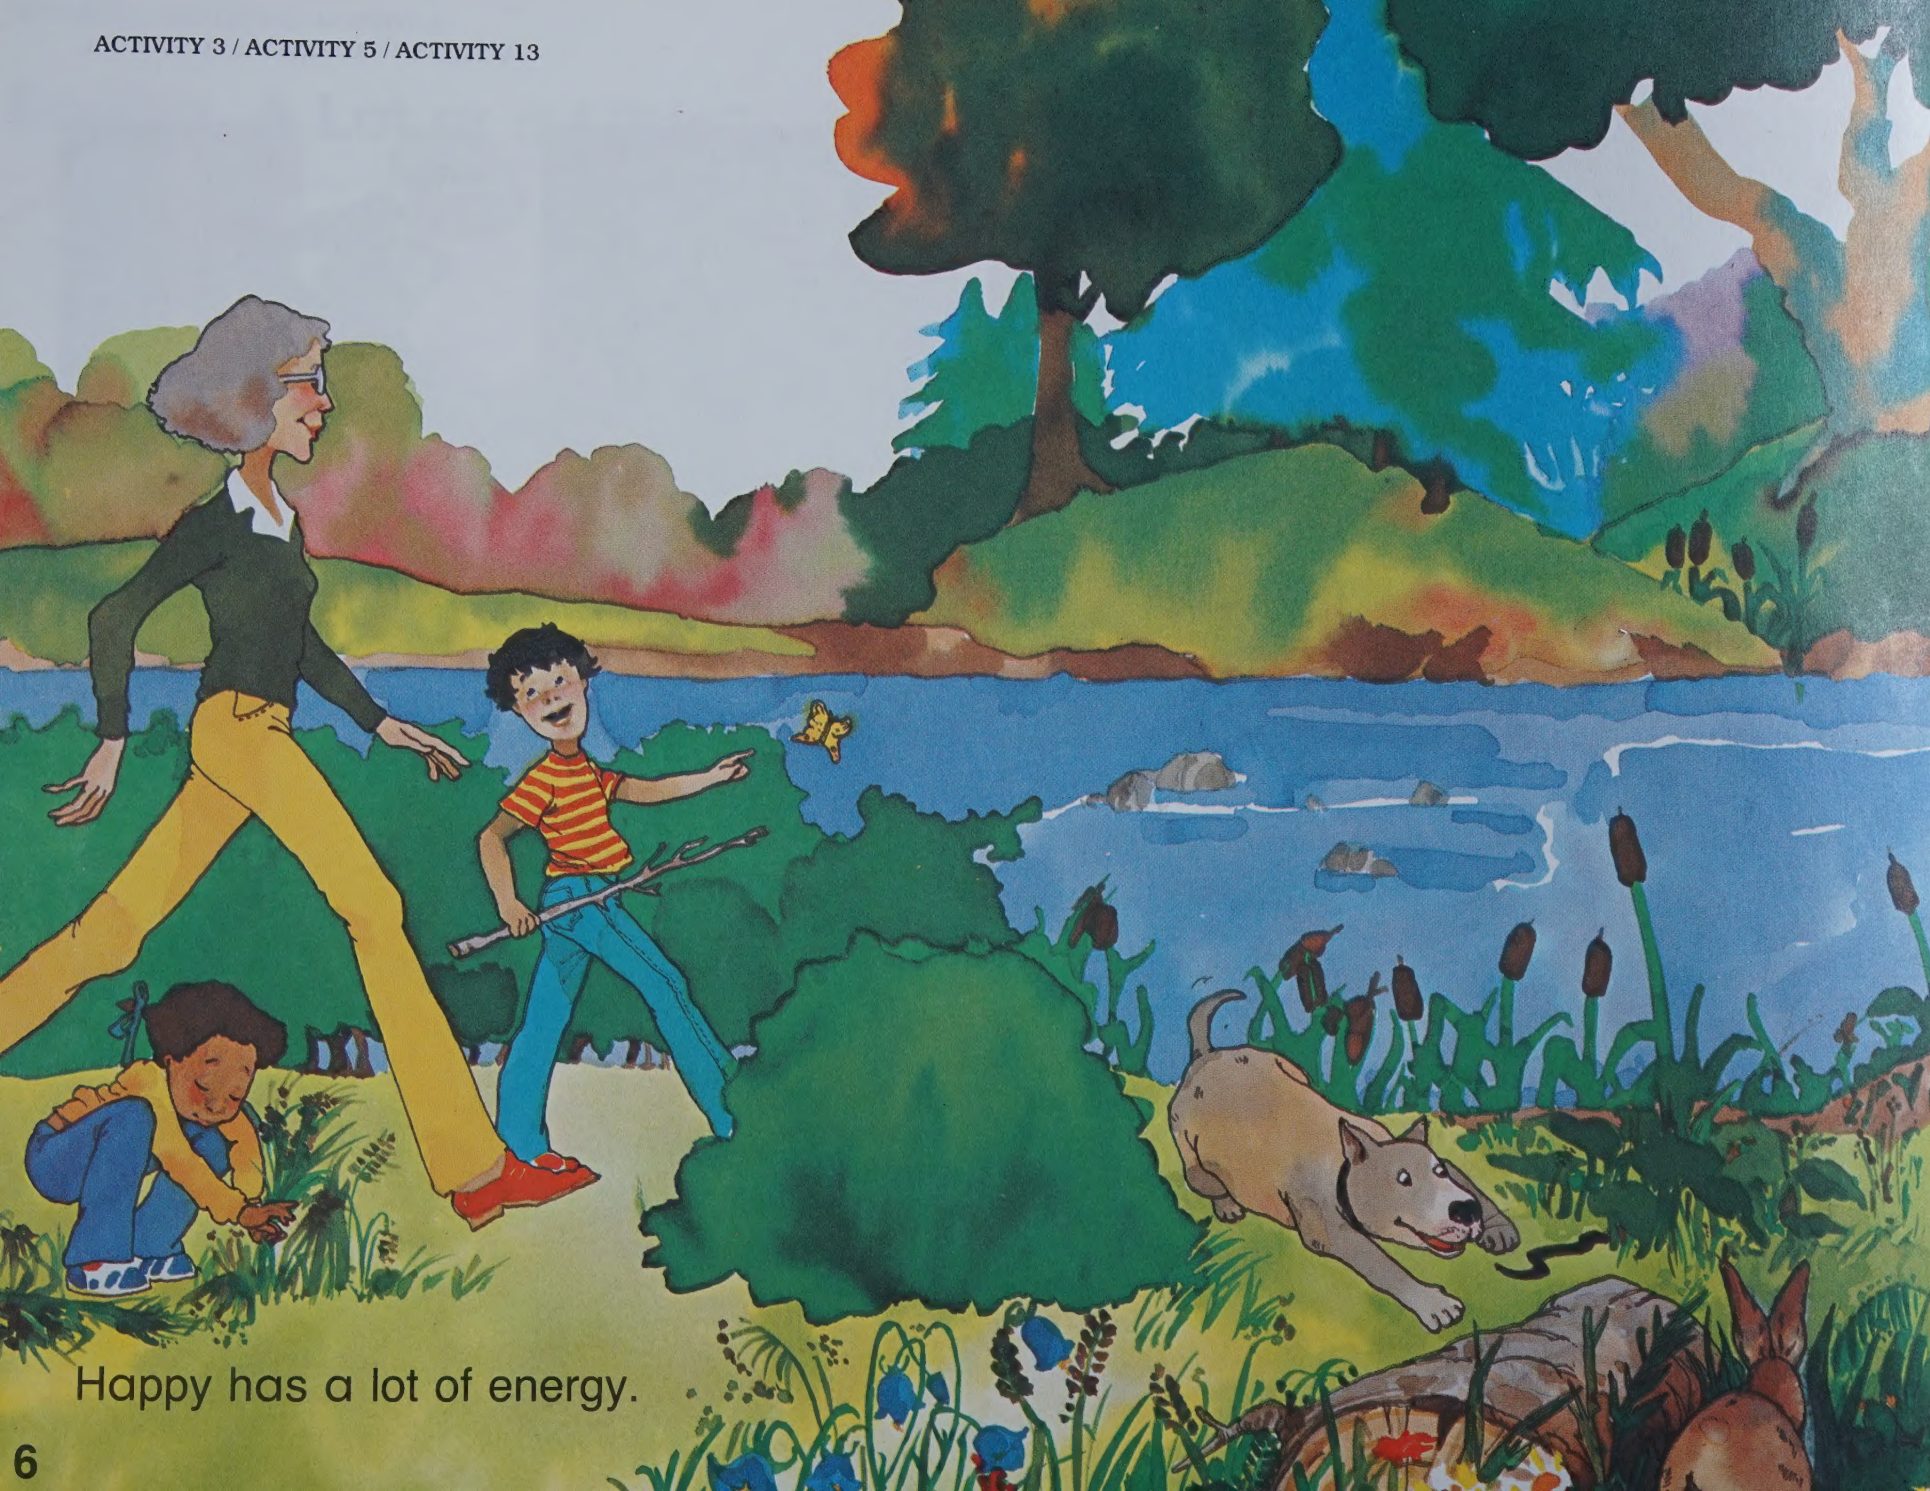
Energy. A Lot or a Little?

5

6

7

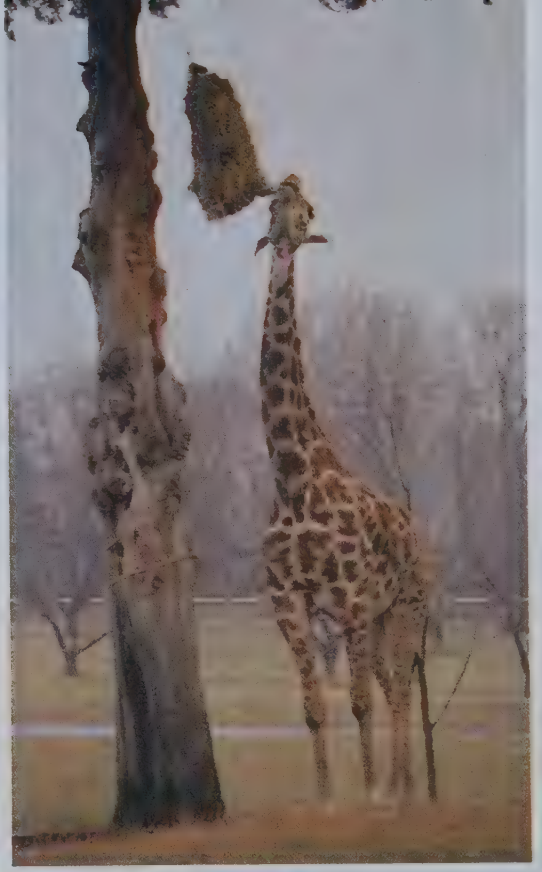
8

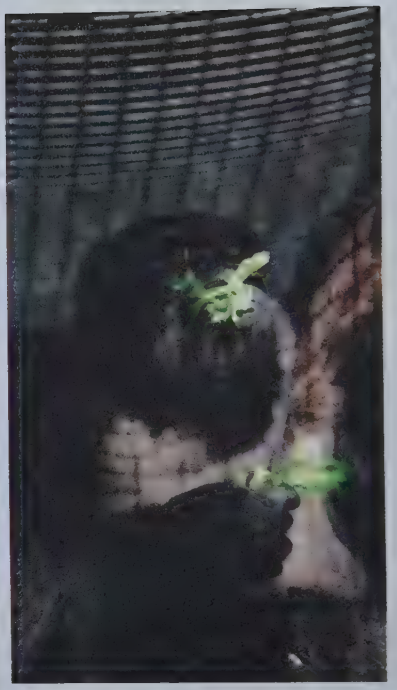


Happy has a lot of energy.

Are these things alive?
Are they using energy?

Are these things alive?
Are they using energy?





Where do they get their energy?

Plants and Energy

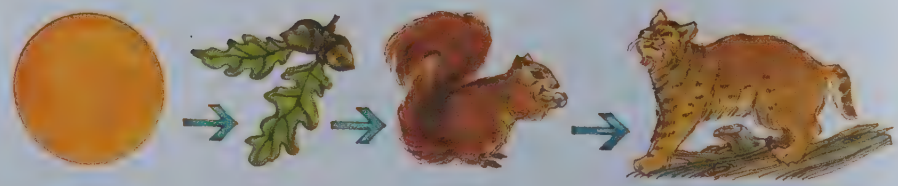
What part do we eat?

Plants need these things to live and to grow. How can you find out?

These plants and animals
live on a plain.

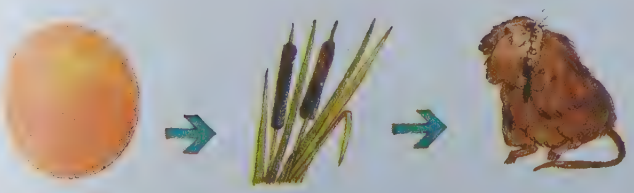
Can you tell this food story?

These plants and animals
live in a forest.



Can you tell this food story?

These plants and animals
live in a pond.



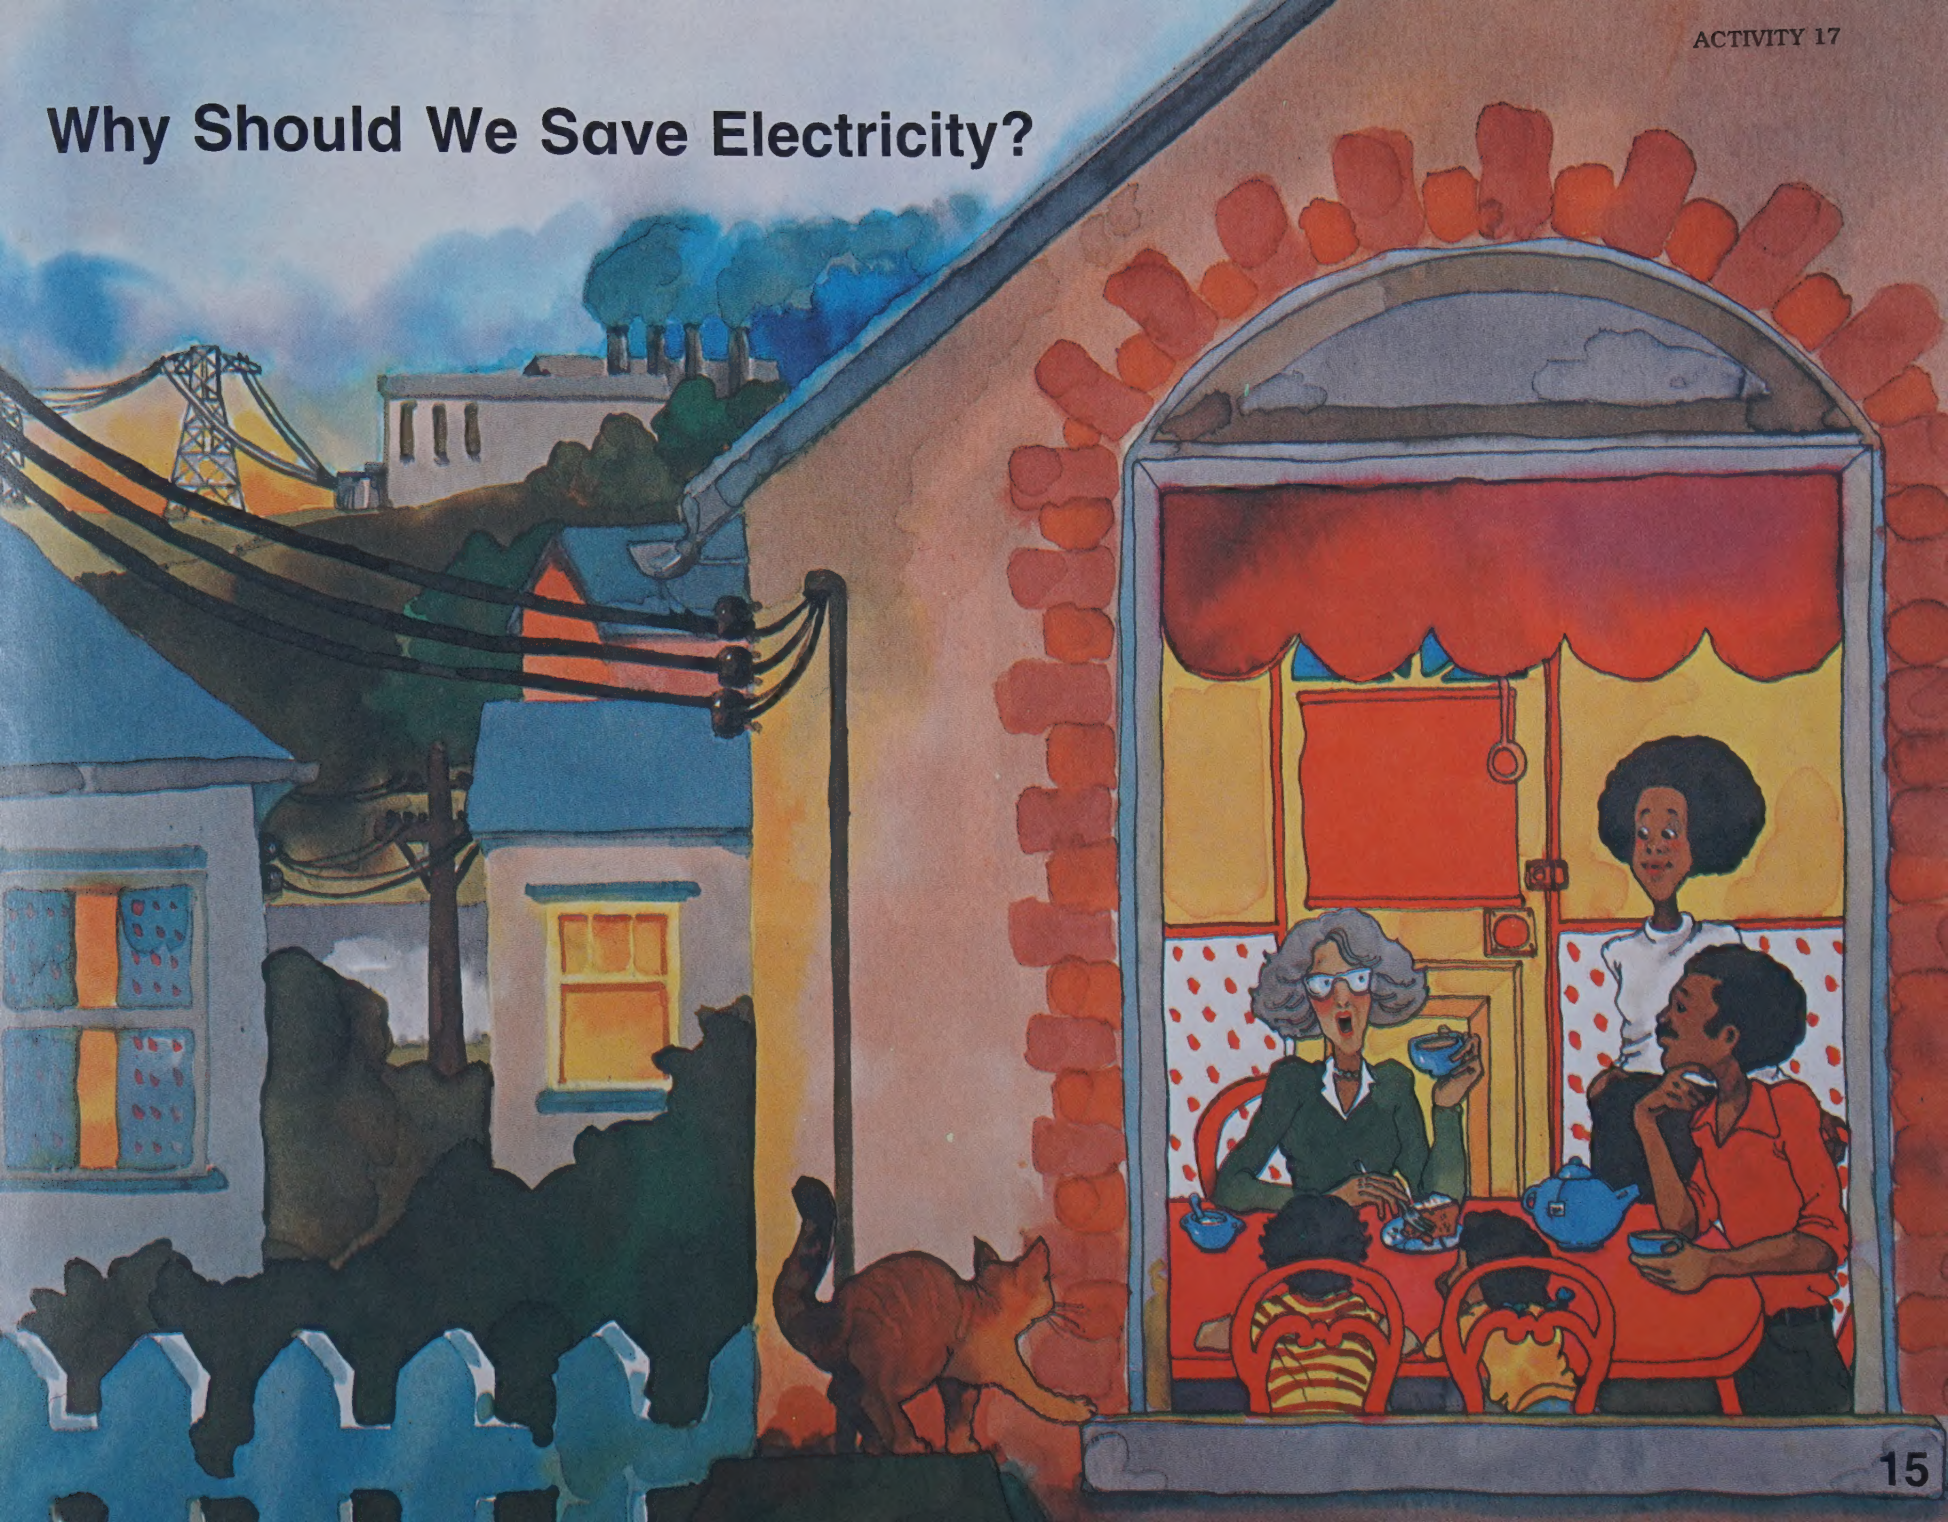
Can you tell this food story?

These plants and animals
live in a pool by the sea.

Can you tell this food story?

How Can We Save Electricity?

Why Should We Save Electricity?



How Can We Save Energy?
